

The Round Tower, Clondalkin

Kids' Activity Sheet

1 My name is and I am years old.

2 Here is a view of Clondalkin 1000 years ago.
Colour in the drawing.

What is different today? What has changed? Write your answer below.

.....
.....

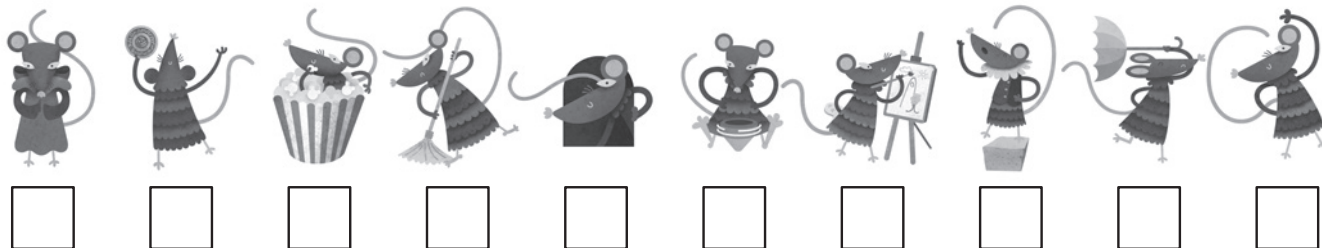

3 Use the words to fill in the blanks: **monastery limestone 1000 27**

The round tower is about _____ years old.

The tower once stood in the middle of a _____.

The tower is _____ metres high and is made of _____.

4 Milly is hiding all over the visitor centre. Can you find her? Tick the boxes.

5 Viking coin

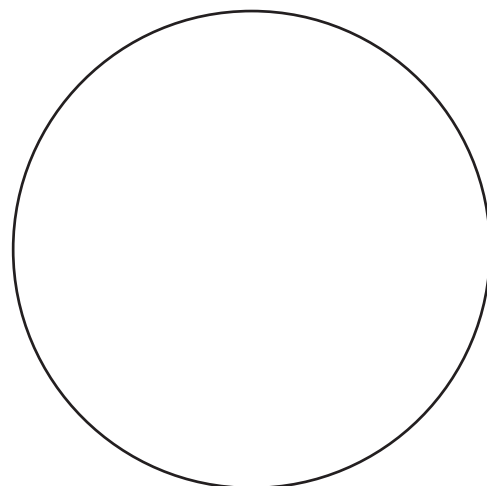

One thousand years ago, there was a Viking town in Clondalkin. The Vikings used coins like this one.

It has the name and a picture of their king on one side. There is a cross on the other side.

Imagine you could make your own money. What pictures would you put on the coin?

Draw your coin in the circle.
